NOTES:

1. Veterinary Experience- Can you briefly walk me through your experience in veterinary medicine — clinical, customer service, or both? What position is ideal for you?

2. Technology & Software Skills- Have you used EzyVet before? If not, what veterinary software have you worked with? Are you comfortable using Google Drive/ docs, spreadsheets, etc? Have you ever used Slack or a similar tool for internal communication?

3. Client or Coworker Situation- Can you share a quick example of a time you handled a challenging *client* or *coworker* situation? How did you handle it?

4. Reliability (Direct & Guided)- Let me ask you directly — would you say you're reliable? Do you call out often, show up late, or have trouble following through on your responsibilities? How would your past coworkers or managers describe your reliability?

5. Self-Awareness & Team Fit- What would your coworkers say is the *best* thing about working with you? And what's one thing they might say you could improve on?

6. Location & Schedule- Are you open to working in Sherman Oaks, Van Nuys, Venice — or all of the above? Do you have any day or time restrictions ?

7. Future: Are you looking for a long-term position? What kind of role are you hoping to grow into?
